

§ 3400.8

other aspects of the project to expedite achievement of the projects' approved goals. If the grantee or the principal investigator(s) is uncertain as to whether a change complies with this provision, the question must be referred to the Administrator for a final determination.

(2) Changes in approved goals, or objectives, shall be requested by the grantee and approved in writing by the Department prior to effecting such changes. In no event shall requests for such changes be approved which are outside the scope of the original approved project.

(3) Changes in approved project leadership or the replacement or reassignment of other key project personnel shall be requested by the grantee and approved in writing by the Department prior to effecting such changes.

(4) Transfers of actual performance of the substantive programmatic work in whole or in part and provisions for payment of funds, whether or not Federal funds are involved, shall be requested by the grantee and approved in writing by the Department prior to effecting such changes, except as may be allowed in the terms and conditions of the grant award.

(c) *Changes in project period.* The project period determined pursuant to § 3400.5(b) may be extended by the Administrator without additional financial support for such additional period(s) as the Administrator determines may be necessary to complete or fulfill the purposes of an approved project. Any extension, when combined with the originally approved or amended project period shall not exceed three (3) years (the limitation established by statute) and shall be further conditioned upon prior request by the grantee and approval in writing by the Department, unless prescribed otherwise in the terms and conditions of a grant award.

(d) *Changes in approved budget.* The terms and conditions of a grant will prescribe circumstances under which written Departmental approval will be requested and obtained prior to instituting changes in an approved budget.

29 U.S.C. 794, section 504—Rehabilitation Act of 1973, and 7 CFR part 15B (USDA implementation of statute), prohibiting discrimination based upon physical or mental handicap in Federally assisted programs.

35 U.S.C. 200 *et seq.*—Bayh-Dole Act, controlling allocation of rights to inventions made by employees of small business firms and domestic nonprofit organizations, including universities, in Federally assisted programs (implementing regulations are contained in 37 CFR part 401).

§ 3400.9 Other conditions.

The Administrator may, with respect to any research project grant or to any class of awards, impose additional conditions prior to or at the time of any

award when, in the Administrator's judgment, such conditions are necessary to assure or protect advancement of the approved project, the interests of the public, or the conservation of grant funds.

Subpart B—Scientific Peer Review of Research Grant Applications

§ 3400.10 Establishment and operation of peer review groups.

Subject to § 3400.5, the Administrator will adopt procedures for the conduct of peer reviews and the formulation of recommendations under § 3400.14.

§ 3400.11 Composition of peer review groups.

(a) Peer review group members will be selected based upon their training and experience in relevant scientific or technical fields, taking into account the following factors:

(1) The level of formal scientific or technical education by the individual;

(2) The extent to which the individual has engaged in relevant research, the capacities in which the individual has done so (e.g., principal investigator, assistant), and the quality of such research;

(3) Professional recognition as reflected by awards and other honors received from scientific and professional organizations outside of the Department;

(4) The need of the group to include within its membership experts from various areas of specialization within relevant scientific or technical fields;

(5) The need of the group to include within its membership experts from a variety of organizational types (e.g., universities, industry, private consultant(s)) and geographic locations; and

(6) The need of the group to maintain a balanced membership, e.g., minority and female representation and an equitable age distribution.

(b) [Reserved]

§ 3400.12 Conflicts of interest.

Members of peer review groups covered by this part are subject to relevant provisions contained in Title 18 of the United States Code relating to criminal activity, Department regulations governing employee responsibilities

and conduct (part O of this title), and Executive Order 11222, as amended.

§ 3400.13 Availability of information.

Information regarding the peer review process will be made available to the extent permitted under the Freedom of Information Act (5 U.S.C. 552), the Privacy Act (5 U.S.C. 552a), and implementing Departmental regulations (part 1 of this title).

§ 3400.14 Proposal review.

(a) All research grant applications will be acknowledged. Prior to technical examination, a preliminary review will be made for responsiveness to the request for proposals (e.g., relationship of application to research program area). Proposals which do not fall within the guidelines as stated in the annual request for proposals will be eliminated from competition and will be returned to the applicant. Proposals whose budgets exceed the maximum allowable amount for a particular program area as announced in the request for proposals may be considered as lying outside the guidelines.

(b) All applications will be carefully reviewed by the Administrator, qualified officers or employees of the Department, the respective peer review group, and *ad hoc* reviewers, as required. Written comments will be solicited from *ad hoc* reviewers when required, and individual written comments and in-depth discussions will be provided by peer review group members prior to recommending applications for funding. Applications will be ranked and support levels recommended within the limitation of total available funding for each research program area as announced in the applicable request for proposals.

(c) No awarding official will make a research project grant based upon an application covered by this part unless the application has been reviewed by a peer review group and/or *ad hoc* reviewers in accordance with the provisions of this part and said reviewers have made recommendations concerning the scientific merit of such application.

(d) Except to the extent otherwise provided by law, such recommendations are advisory only and are not
